Dear Withers Families,

The Withers PTA and PTO are seeking your support! We hope you will support our amazing school for the 2020/2021 school year by being “Withers Strong.” The goals of the PTA/PTO at Withers Elementary are three fold: improve test scores for all students, social emotional learning and supports for staff and students, and a sense of belonging for all staff and students.

The Withers community is fortunate to have such wonderful teachers, staff, parents and students! By contributing to the “Withers Strong” campaign, you will help maintain the proud tradition of excellence at Withers Elementary and realize the three goals of the PTA and PTO. Your donation will provide support to the campus in many ways, including: social emotional learning tools and programs, materials and tools to help our school boost test scores, and creating clubs and events available to all students at Withers. Funds are used to provide opportunities across all grades and classes. Please invite grandparents, Withers alumni, friends, family and neighbors to be a part of the “Withers Strong” campaign! We appreciate all donations, great and small.

Underwriting benefits will be very different this school year with potential restrictions on events. We aren’t sure what this year will look like but we are committed to raising funds for our student and teacher needs. Simply submit this form with your donation, or you may donate online at www.witherspta.org.

Thank you for your support,
Withers PTA & PTO (Dads Club)

2020-2021 Family and Individual Underwriting Campaign

Our Family, the _____ would like to make a contribution of \$ _____ to Withers Elementary Underwriting Campaign. My email contact is _____
